Date of this certificate

4. Certificate

Name	Address
I, <input style="width: 300px; height: 30px;" type="text"/>	Of <input style="width: 300px; height: 30px;" type="text"/>

Being the owner of the building described above, or the agent of the owner, certify that:

- (a) each of the essential fire measures listed above has been assessed by a person (chosen by me) who was properly qualified to do so, and was found, when it was assessed, to be capable of performing to a standard not less than that required by the most recent fire safety schedule (copy attached) for the building for which the certificate is issued
- (b) the information contained in this certificate is, to the best of my knowledge and belief, true and accurate

5. Signature

The owner of the building or the agent of the owner of the building, who completed this statement, must sign the statement

Signature	Name
<input style="width: 300px; height: 30px;" type="text"/>	<input style="width: 300px; height: 30px;" type="text"/>

Name of owner of building or part

Address of owner of building or part

The capacity in which you are signing if you are not the owner of the building

6. Notes

- You need to provide the information in this certificate to Council if you are applying for an occupation certificate.
- You also need to give the information to the Council and the Fire Commissioner if a fire safety order has been made for the building once you have satisfied the order.
- If you do not supply a fire safety certificate as required, you will be in breach of the Environmental Planning and Assessment Act 1979 and you could be found guilty of an offence.
- Please contact the Council if the information in this certificate changes.
- A copy of this certificate, together with the relevant Fire Safety Schedule must be prominently displayed in the building.
